<http://www.accueilperpignntaxi.fr/>

- [Shuttle from airport to Perpignan](#) downtown, line N°7, bus stop "Lancaster"

Timetable on <http://www.aeroport-perpignan.com/en/shuttle.html>

Alternatively: regional bus n°13, see above (long trip - not recommended)

**By car:**

GPS coordinates

Longitude : 42.805256

Latitude : 3.036089

Highway A 9, exit N°40 "Leucate", follow Le Barcarès direction for 20 kilometers. In Le Barcarès, take exit N°12 and then follow direction "Lido / Mas de l'Ille". At the roundabout, take the 1<sup>st</sup> street on the right and then go straight into the Françoise Dolto street. The main entrance of the Cap'vacances center is recognizable with its white fence. A map can be found on the website of the school.

**ARRIVAL:**

Lunch will be available at Cap'vacances L'Estanyot for arrivals between 12:30 pm to 2:00 pm on Sunday September 25, 2016.

Registration will open on Sunday September 25, 2016 between 2.00 pm and 4.00 pm.

**LODGING:**

We remind that participants will be sharing two-room bungalows. You will receive soon by e-mail the name of your roommate. Your bungalow location will be communicated on your arrival at Cap'vacances L'Estanyot.

**POSTERS:**

We strongly encourage participants to present a poster on focus of their research.

The FORMAT of the posters will be A0 (841 mm × 1 189 mm), in portrait style.

Two poster sessions will be organized on the evenings of Sunday and Monday. The lists with the titles of posters that will be presented in each session can be found on the website of the school. Participants who will present their posters at the first session will be able to put them up after the start of registration. Participants are expected to bring their poster with them. No printing facilities are available on-site.

**LECTURES:**

The 1<sup>st</sup> lecture will start at 4:30 pm on Sunday. The timetable of the school is available on the web site. The slides of the lectures will be available on the school website one week before the school. You may carry your laptop for the lectures and workshop.

**WORKSHOP ON NUCLEOSYNTHESIS**

The workshop on Wednesday afternoon will include exercises with a nucleosynthesis code that should be installed in advance on the participants' computer. The relevant package, which contains a README file with compilation instructions, can be downloaded from the EJC2016 website ("*Workshop-Practical sessions*" Tab).

**TROMBINOSCOPE:**

The school "Trombinoscope" including the participant's background will be available soon on our website.

**LEISURE TIME:**

Cap'vacances l'Estanyot offers a number of opportunities for sport and relaxation: walking, swimming (350 meters from the beach), tennis, etc. Given the generally warm and sunny climate at this time of the year, we recommend that you come equipped to take advantage of these activities. A basketball playground is available, so don't hesitate to bring adequate shoes if you wish to play.

A boat trip "Sea – Marine Lake" will be organized on Tuesday or Wednesday after lunch (1 ½ hour tour)

**LEAVING Cap'vacances L'Estanyot:**

On Friday, the check-out from the rooms needs to be done before 10:00 am.

Joliot-Curie School will provide transport from Cap'vacances to the airport or train station after the end of the school. We will do our best to accommodate your needs. A take-away lunch will be provided.
